Since Kawasaki Heavy Industries, Ltd. (KHI) separated its construction machinery business as of April 1, 2009, the relation between the Rolling Stock business and construction machinery business were reduced. Therefore while the construction machinery business was included in the Rolling Stock \& Construction Machinery segment, this business is included in the other segment and we change the industry segment name from Rolling Stock \& Construction Machinery to Rolling Stock from this fiscal year.

## Net sales, orders and order backlog by industry segment

For three months ended June 30,2009 and 2008 and as of June 30 and March 31, 2009

Since Kawasaki Heavy Industries, Ltd. (KHI) separated its construction machinery business as of April 1, 2009, the relation between the Rolling Stock business and construction machinery business were reduced. Therefore while the construction machinery business was included in the Rolling Stock \& Construction Machinery segment, this business is included in the other segment and we change the industry segment name from Rolling Stock \&Construction Machinery to Rolling Stock from this fiscal year.
