

Material Issues and Our Approach

As a company that engages in a broad range of businesses domestically and overseas, the Kawasaki Group believes that as a member of communities, we have a responsibility for making active contributions to the communities in which we operate.

Additionally, in the context of the SDGs adopted by the UN in 2015, expectations for corporations are high with respect to realizing sustainable societies.

Based on our Group Mission, “Global Kawasaki, working as one for the good of the planet,” the Kawasaki Group is committed to pushing forward with our social contribution activities that leverage our human resources, technologies and capital, and are highly synergistic with our business activities.
